

## Early “Absentee In-Person” Voting

Early Voting, also known as Absentee-In Person Voting, is different than a regular Election Day. Any eligible Ware County voter can vote at any open Ware County Early Voting location. Early voting runs for three weeks before Election Day including at least two Saturdays.

**For most elections, Early Voting is only at the Elections Office:**

Ware County Board of Elections & Registration  
408 Tebeau St  
Waycross, GA 31501

**For higher-turnout elections, the Board may decide to use a second location:**

Ware County Administration Building  
1<sup>st</sup> Floor – Planning & Code Hearing Room  
305 Oak St  
Waycross, GA 31501
