

The Uniformed And Overseas Citizens Absentee Voting Act (UOCAVA)

Online access for military and overseas voters

As required by the federal Military and Overseas Voters Empowerment (MOVE) Act, Georgia makes the voting process faster, more efficient, and more reliable by providing an electronic ballot delivery system for military, overseas voters and their families. Visit one of these two websites [**Federal Voting Assistance Program \(FVAP\)**](#) or [**Overseas Vote Foundation**](#), to access the forms needed and instructions for registering and voting in Georgia.

Absentee Ballot Status

To check on the status of either a request for an absentee ballot or the absentee ballot itself, visit the [**Georgia Secretary of State's My Voter Page**](#). You will be required to provide identifying information and county of residence. Once the system locates your registration record, the MVP website provides the following information:

- Voter registration status
- Mail-in application and ballot status
- Poll location
- Advanced voting locations
- Elected officials
- Registration information on file with the county office
- Sample ballot for the upcoming election
